

FRINTON ON SEA PUPIL PREMIUM 2019-2020

INTRODUCTION

The Pupil Premium was introduced by the Government in April 2011, and is paid into schools by means of a specific grant based on the number of pupils:-

- registered as eligible for Free School Meals (FSM) during the preceding 6 years.
- who are "looked after" by the local Authority (Children in Care)
- whose parents are currently serving in the armed forces.

The Pupil Premium is additional to the main school funding and the intention of the grant is to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

OBJECTIVES FOR PUPIL PREMIUM IN THIS SCHOOL

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils
- The funding will be used to narrow and close the gap between the achievement of these pupils and other children
- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

ACCOUNTABILITY

The Head Teacher together with the Senior Leadership Team will regularly monitor, evaluate and review the strategies we have put into place for Pupil Premium and report to the Governing Body on its progress and impact. This will be part of the regular monitoring during half termly pupil premium meetings

STRATEGY FOR USING THE FUNDING

The school has identified the needs of those pupils receiving Pupil Premium funding and will be focused on accelerating progress of pupils entitled to Pupil Premium funding to at least age related expectations. This will be achieved in the following ways:

- by providing or commissioning wrap-around support for children and families to strengthen children's emotional and social wellbeing (Beespoke practitioners, well being hub access, sensory room time)
- Providing small group work for pupils and/or 1:1 support for pupils entitled to PP funding to help them make improved progress and to raise their standards of achievement
- additional teaching and learning opportunities for pupils entitled to PP funding provided through trained TAs or external agencies (Training to be kept up to date and current to the needs of the children)
- purchasing effective materials for pupils entitled to PP funding aimed at raising standards, particularly in reading and mathematics.
