

## **FRINTON ON SEA PUPIL PREMIUM 2017-18**

### **INTRODUCTION**

The Pupil Premium was introduced by the Government in April 2011, and is paid into schools by means of a specific grant based on the number of pupils:-

- registered as eligible for Free School Meals (FSM) during the preceding 6 years.
- who are "looked after" by the local Authority (Children in Care)
- whose parents are currently serving in the armed forces.

The Pupil Premium is additional to the main school funding and the intention of the grant is to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

### **OBJECTIVES FOR PUPIL PREMIUM IN THIS SCHOOL**

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils
- The funding will be used to narrow and close the gap between the achievement of these pupils and other children
- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

### **ACCOUNTABILITY**

The Executive Head Teacher together with the Senior Leadership Team will regularly monitor, evaluate and review the strategies we have put into place for Pupil Premium and report to the Governing Body on its progress and impact. This will be part of the regular monitoring during half termly pupil premium meetings

### **PUPIL PREMIUM FUNDING**

- For the financial year 2017/18, 35 pupils were entitled to benefit from the additional funding for Ever 6, 3 Looked after and 1 adopted and 0 services child.
- The school receives £1,320 per annum for each child who is entitled.
- In the last financial year (2017/18) the school received £53,515 pupil premium funding.
- There was also a carry forward from 2016/17 of £10,700

2	Math intervention	Training on specific interventions will enable accurate precision teaching inc 'success @ number'	£3000 – salary to deliver the maths intervention – 30wks – 2 hours a week)	This is yet to be spent. This will be used for the year 5 children after the SATs to start some of the year 6 curriculum early and close th gaps for the others.
	Supporting staff in developing meta cognition strategies	<p>Colour Monster</p> <p>Growth mindest books</p> <p><i>Meta-cognition and self-regulationCost: low Progress: +8 months Meta-cognition and self-regulation are sometimes known as 'learning to learn' and are intended to help pupils think, more explicitly, about their own learning.</i></p>	<p>£20.97</p> <p>£6.67 per book 40 staff £200.89</p>
