

EYFS Home Learning - Wednesday 10th October

Please find some activities below to complete with your child.

Maths - We are learning about what a number is. See the sheets on number 3 and number 4.

Can your child find 3 things around the house? Can they find 4 things? Can they find the digit 3 or 4 anywhere? Can they build 3 or 4 using lego, duplo or building blocks? Can they show 1, 2, 3 and 4 on their fingers? Try to write the digits 3 and 4.

Phonics - Look at all the sounds we have learned so far! Can you find any objects in your house (or on a walk) that begin with that phoneme? Have a go at writing the different phonemes - use the rhymes to help you!

Literacy - Share a book together - ask your grown up to read your favourite story to you. Can you draw a picture of the characters and tell your grown up what your favourite part of the story is!

Topic - Go on an Autumn Walk. Can you find any Autumn Leaves - what colours can you find? Collect them and bring them in to school for our Leaf Man story!

Feel free to upload any photos of your home learning activities for Tapestry or bring them into school, when we re-open.
