

Year 1 Maths

We have been looking at our recall of number bonds to 10. The video link below had some rhymes to help the children.

[NUMBER BONDS TO 10 RHYMES | Miss Ellis #numberbondsto10](#)

$0 + 10 = 10$

$1 + 9 = 10$

$2 + 8 = 10$

$3 + 7 = 10$

$4 + 6 = 10$

$5 + 5 = 10$

$10 + 0 = 10$

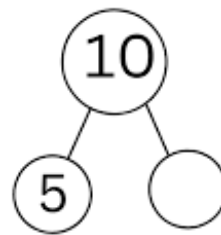

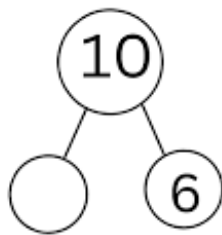

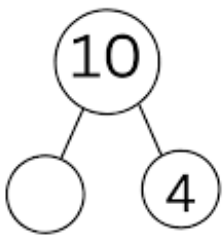

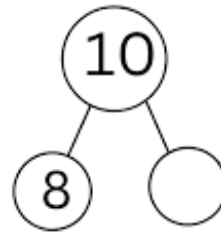

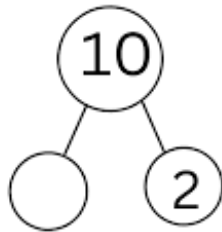

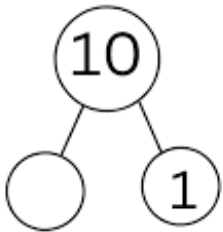

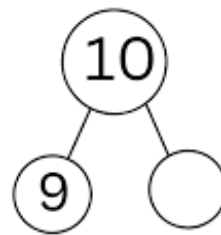

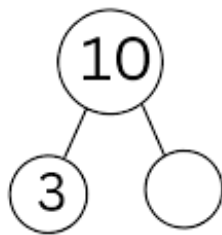

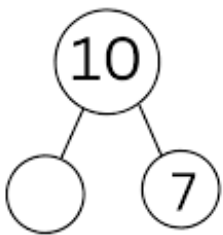

$9 + 1 = 10$

$8 + 2 = 10$

$7 + 3 = 10$

$6 + 4 = 10$

$5 + 5 = 10$

Challenge: Can you write the number bonds to 20.

e.g. $2 + 18 = 20$

This is the number bond challenge we use in class. You can look through this with your child. For example, where there is a 4 in the box the children write 6.

Name:						Class:			Number bond: +10		Time:	
4	7	2	8	10	1	6	3	9	0	2	5	9
5	3	0	4	5	7	9	2	10	1	6	8	0
3	8	1	7	8	2	5	0	4	6	7	9	3
9	5	6	0	10	1	7	4	6	3	2	8	2
